**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I hope this letter is not too late. But it's critical that there be broadband competition, that carriers like our Omsoft's Davis Community Network be allowed to continue. The personal service we receive at a reasonable rate (because of the competition) allows us to have quality internet.

Please don't let the big telecoms like ATT and Verizon take over.
